   a. **No-Guarantee as to New Versions**. Licensee acknowledges and agrees that BMC is under no obligation to provide any maintenance releases, updates or new versions of the Prerelease Software. BMC does not guarantee that any Prerelease Software will become a GA Product. If a GA Product is announced replacing a Prerelease Software, BMC does not guarantee

that the GA Product will be similar in functionality to the comparable Prerelease Software version licensed under this Agreement. This Agreement creates no obligation on behalf of Licensee to license any GA Product, or for BMC to provide any GA Product to Licensee.

b. **Entire Agreement and Modifications**. This Agreement is the entire understanding between Licensee and BMC and replaces any prior or contemporaneous communication, agreement or understanding of any kind, oral or written, concerning this subject matter. This Agreement may only be changed if mutually agreed to in writing by the parties.

f. **U.S. Federal Acquisitions.** This Section applies only to acquisitions of the commercial Prerelease Software and Documentation subject to this Agreement by or on behalf of the United States Government, or by any prime contractor or subcontractor (at any tier) under any contract, grant, cooperative agreement or other activity with the United States Government. In the event the Prerelease Softwares are delivered to the United States Government, the United States Government hereby agrees that the Prerelease Softwares qualify as "commercial items" within the meaning of the Federal acquisition regulation(s) applicable to this procurement. Therefore, Licensee agrees to comply with both the U.S. regulations and those E.U. regulations and will not export in violation of the regulations and without all proper licenses. Any failure to comply with these regulations will result in Licensee forfeiting all rights to the Prerelease Software.
